

自己評価

Table with 2 main columns: 学校運営計画 (4月) and 評価 (総合). The plan column includes school operation policies, last year's results, and specific strategies for ICT, safety, and organizational management. The evaluation column shows a grade of 'A'.

Table with 4 columns: 評価項目, 具体的目標, 具体的方策, 評価 (3月). It details specific goals and strategies for learning guidance, planning, ICT education, student guidance, career guidance, health, research, human rights education, and administrative tasks, with corresponding evaluation grades.

自己評価及び学校関係者評価を踏まえた今後の改善策

- Improvement strategies including: increasing regional participation in volunteer activities, enhancing safety guidance for bicycles, and strengthening communication with parents and the community.

学校関係者評価

Table with 2 main columns: 評価 (総合) and 自己評価. The overall evaluation is 'A', and the self-evaluation includes a list of criteria (A, B, C, D) and a final grade of 'A'.

Table with 2 columns: 項目ごとの評価 and 学校関係者評価委員会からの意見. It provides detailed feedback and opinions from the school relationship evaluation committee for various evaluation items.

評価項目以外のものに関する意見

Opinions on items outside the evaluation items, such as the need for social change and the importance of safety measures like helmet use.
